## Environmental Systems

**Industrial Positive Pressure Venting** Systems, Free Standing Stacks and UL listed **Grease Duct**

Automatic Pressure and Temperature Sensing **Liquid Regulating Valves.**

Plate & Frame **Heat Exchangers.**

Microprocessor based Temperature and Pressure **Control Systems.**

**Air cooled and water cooled comfort & process packaged chillers and condensing units- ¼ to 200 tons**

Roof Mounted **Pipe & Duct Support Systems** including Walkways, Crossovers, and Unit Supports.

Factory **skidded and piped Centrifugal Pumps, ASME tanks,** Heat Exchangers and Hydronic Specialties.

Packaged Hot **Water and Steam Water Tube Boilers** (Natural Gas, Propane, Oil and Biogas Fired), **Deaerators, Condensing** Hot Water Boilers. Thermal Liquid Indirect Hot Water Heaters, with Skid-Mounted Accessories.

New/Replacement Semi-Hermetic & Open Drive **Screw Compressors.**

Direct/Indirect Fired, Indoor/Outdoor, Make-Up Air **Heating and Cooling Equipment.**

End-Suction Stainless-Steel and Bronze **Centrifugal Pumps, Condensate Boiler Feed and Vacuum Pump Packages**

**Single and Double Wall** Stainless **Steel Boiler Flue**

End-Suction Stainless-Steel and Bronze **Centrifugal Pumps.**

Quick Ship Air Handling Unites, Replacement Coils, & Fan Coil Units.

**Packaged Water Filtration Systems-** Centrifugal and Sand Filters

**Centrifugal and Turbine Pumps,** Hydronic Specialties, **Steam Traps** and **Condensate Pump** Packages.

Medical Isolation and Lab Rooms/Hood **Pressure Monitors** and **Controllers** with **Venturi Valves, Dampers,** and **Flow Measurement Stations.**

Expansion and Storage Tanks, Air Separators, and Hydronic Accessories
